Copy of letter Rc.21135/51-B5 dated 19-7-52 from the Collector, Bellary.

Sub:- As above.

It has been proposed by the Revenue Divisional Officer, Hospet to acquire a portion of S.No.35 of Kurekuppa village in Sandur Taluk to relieve congestion in the existing Harijancheri in that village. 35 families require house sites. The extent of land including future requirements etc., comes to 2 acres 80 cents but the Revenue Divisional Officer has proposed to acquire 3 acres 16 cents which is in excess by only 36 cents. The Revenue Divisional Officer is of opinion that more land than the usual scale may be provided for future requirements. The lay out plan has been prepared and sent to the Director of Town Planning, Madras, and S.D.records also have been prepared.

2. The site proposed has been approved by the District Health Officer.

3. As the sites are for providing the houseless harijans with house sites, there is no question of relinquishment of any old sites.

4. The approximate cost of acquisition of land is Rs.3000/- The Harijans have credited a sum of Rs.300. The

Revenue Divisional Officer reports that, on his personal enquiry regarding the paying capacity of the harijans, he has found that nothing more can be paid by them towards the cost of acquisition. The rest of the amount has therefore to be met by Government.

5. The Harijans have consented and given statement in writing that they are willing to have the site selected now, for the purpose.

6. I submit herewith draft notification under section 4 (1) of the L.A.Act, in duplicate for approval and publication.

Sd. x x
for Collector.

Copy to the R.D.O., Hospet with the agreement.
He is requested to confirm whether the presumption that the harijans do not already own any house sites and that there is no question of relinquishment of old sites, is correct. An extent of 2-80 would be enough even taking into consideration the future requirements according to the prescribed scale.

There is no question of collecting anything more from the Harijans. Hence the agreement requires to be modified suitably.
